Reason for Allowance

2. Claims 1-2, 4-15 are allowed for the following reasons:

The instant application is deemed to be directed to a nonobvious improvement over the invention patented in Pat. No. Shen et al. (US 6130984).

Claims 1-2 and 4-10 are allowable because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the attenuating means further comprises a sliding patch, and the carrier further defines a slot, and the sliding patch is fixed in the slot in combination with the rest of the limitations of the base claim.

Art Unit: 2883

Claims 11-15 are allowable because the prior art of record, taken alone or in combination, fails to disclose or render obvious wherein the at least one mirror is a pair of mirrors positioned so that optical signals emitted from the input optical fiber reflect off one mirror, pass through the filter fixed on the carrier, then reflect off the second mirror and are received by the output optical fiber in combination with the rest of the limitations of the base claim

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
